

Dear Ministry Team,

Thank you for your consistent prayers. REJOICE with us in the following areas:

HOUSING

We are rejoicing for the short term housing we found just for missionaries near Appleton/Green Bay, WI from June 4-Aug. 11. While planning on staying in a one bedroom apt., a 4 bedroom unit opened up so we are in a larger unit instead.

AUTO

Pastor Mark Taylor offered a vehicle for us to borrow for the summer. A huge blessing vs. leasing or buying.

JOHN

Successful graduation of our son from Faith Academy on June 3.
Although he did not apply, he was chosen by the faculty to be inducted into the National Honor Society.
Was chosen by Faith Academy to receive the "Christian Living Award," for a life of outstanding Christian Character
Has found steady work so far through Manpower, Inc., a temp agency
Opened his first bank account to establish Wisconsin residency. Will receive his driving permit for the USA as soon as his first 30 day statement arrives, proving his Wisconsin residency.
Plans to return with us in September to Manila for a 9 month internship with a local mechanic.

CHRISTIE

After serving two internships with Hope International, she was hired full time in January 2011. She is managing the budgets and travel for their various Area Directors. We have the opportunity to visit her on our way to General Conference. She is based in Lancaster, PA.
